Commissioner for Patents

NOTIFICATION OF NON-COMPLIANCE WITH THE REQUIREMENTS OF 37 CFR 41.37(c)

The brief does not contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number, and to the drawing, if any, by reference characters; and/or does not identify the structure, material, or acts described in the specification as corresponding to each claimed function for every means plus function and step plus function for each independent claim involved in the appeal and for each dependent claim argued separately by reference to the specification by page and line number, and to the drawing, if any, by reference characters, as required by 37 CFR 41.37(c)(1)(v). Presently, the applicant refers to the paragraph number and not line numbers.

The brief does not contain the items of the brief required by 37 CFR 41.37(c)(1) under the appropriate headings and/or in the order indicated. Grounds of rejection to be reviewed on appeal should replace the applicant's "issues to be reviewed on appeal".

Furthermore, "Evidence Appendix" and "Related Proceedings Appendix" should be listed on separate sheets since they are appendices.

The brief does not contain a proper copy of the claims involved in the appeal in an appendix. Only the claims on appeal should be listed in the -Claims Appendix--.

Appellant is required to comply with provisions of 37 CFR 41.37(c). To avoid dismissal of the appeal, Appellant must comply with the provisions of 37 CFR 41.37(c) within ONE MONTH or THIRTY DAYS, whichever is longer, from the mailing of this communication. Extensions of time may be granted under 37 CFR 1.136.

Any inquiry concerning this communication should be directed to Jerry Redman at telephone number 571-272-6835.

Jerry Redman
Primary Examiner
